Sarapin Update

High Chemical Company maker of the name brand Sarapin is out of business. The animal brand P-Bloc was the veterinary label and is also no longer available.

High Chemical Company and thier generic division were the largest producers.

Compounders have been a long time source of sarracenia extract also. The following is the current list of compounders in the United States with pricing that is subject to change.

Sarapin (Sarracenia aka Pitcher Plant) avaiability list.
